Introduction

The WRDC Scholarship Programme has been developed to provide higher education opportunities for students in Al Gharbia. Initiated by the Western Region Development Council (WRDC) in cooperation with Abu Dhabi Education Council (ADEC), the Scholarship programme offers the top performing students of Al Gharbia's secondary schools with an opportunity to continue onto Higher Education. The programme is aligned with one of WRDC's main objectives; to build and optimise the region's young talents to secure a better future of Al Gharbia and its socio-economic development.

The program

WRDC offers an integrated scholarship program to Al Gharbia High Schools' talented students in collaboration with the following entities:

- Abu Dhabi Authority for Culture and Heritage
- UAE Armed Forces
- ADEC
- Others

The objectives

- To improve and enhance the performance of Al Gharbia's students
- To encourage the top performing students from the region to complete their higher education in world-class academic institutions
- To ensure that Al Gharbia's younger generation are adequately qualified to contribute to the region's development
- To enable the postgraduates to obtain respectable positions in the Public and Private sectors
